Article 12.05 of the Zoning Ordinance of the Town of Bow

12.05 Hearing and Decision

Following a public hearing on the proposed use, the Planning Board shall issue a conditional use permit, if it finds, based on the information and testimony submitted with respect to the application, that:

- A. The use is specifically authorized by Article 5, Section 5.11 Table of Use Regulations as a conditional use;
- B. If completed as proposed by the applicant, the development in its proposed location will comply with all requirements of this Article, and with the specific conditions or standards established in this ordinance for the particular use;
- C. The use will not materially endanger the public health or safety;
- D. The use will be compatible with the neighborhood and with adjoining or abutting uses in the area in which it is to be located;
- E. The use will not have a substantial adverse impact on highway or pedestrian safety;
- F. The use will not have a substantial adverse impact on the natural resources of the town; and
- G. The use will be adequately serviced by necessary public utilities and community facilities and services of a sufficient capacity to ensure the proper operation of the proposed use, and will not necessitate excessive public expenditures to provide sufficient additional capacity or services.
